

AcmeCRM Billing Policy

Effective date: January 1, 2026

1. Plan Pricing

Plan	Monthly Price	Annual Price (per mo)	Included Users
Starter	\$29/mo	\$24/mo	3
Professional	\$79/mo	\$65/mo	10
Enterprise	Custom	Custom	Unlimited

2. Additional Users

Additional users beyond a plan's included seat count may be added for \$12/user/month on Starter, \$15/user/month on Professional, and by agreement on Enterprise.

3. Billing Cycle

Subscriptions are billed monthly or annually, at the customer's choice, on the date of initial signup. Annual plans are paid upfront and are non-refundable except as required by law. Monthly plans may be cancelled at any time and are not prorated for partial months.

4. Plan Changes

Upgrades take effect immediately, with a prorated charge for the remainder of the current billing period. Downgrades take effect at the start of the next billing cycle. A downgrade that would exceed the target plan's contact, user, or custom field limits will be rejected until usage is reduced below the new plan's limits.

5. Data Retention After Cancellation

Upon cancellation, workspace data is retained for 90 days to allow reactivation. After 90 days, all data is permanently deleted and cannot be recovered. Customers may request an export of their data at any point before deletion by contacting support.

6. Refunds

Monthly plans are eligible for a refund of the current month's charge if cancellation is requested within 7 days of that charge. Annual plans are non-refundable after 30 days from initial purchase.
